SELECT DRAFT OF DIVIDE SHORTHORNS, DES MOINES, IOWA

The FOREWORD

IN presenting this offering of bulls and heifers we are giving the public the opportunity to secure the result of thirty years of improvement of a herd of Shorthorns that was founded upon the best specimens that were obtainable when it was started.

The record of the "Divide Shorthorns" is well known to all who have kept informed of the progress of Shorthorns during the past third of a century. From the Atlantic to the Pacific, from Canada to the Gulf breeders have used bulls of our breeding to improve their herds. They have secured heifers upon which to found families that have proved profitable.

Our show record is fully as well known as our record for producing breed improving stock. Every year in the past score of years many of the leading expositions and fairs have had exhibits of Shorthorns from our herd and in every one of these we have had winners. Our record for winning first prize in the "Get of sire" class has been particularly gratifying. We have had firsts and championships at the International Live Stock Show at Chicago, the Canadian Royal at Toronto, The American Royal at Kansas City, the Pacific International at Portland, the Western National at Denver and at other shows too numerous to mention.

During the season just closed we made only two shows, the Canadian Royal Winter Show and the International Stock Show. At these we met nearly all of the best show herds in America. We mention our winnings at these shows because the cattle with which we won will be sold in this sale. All of the cattle that we showed won prizes.

At the Canadian Royal Winter Fair we won as follows: In the junior yearling bull class (15 shown) Divide Star Goldspur won fifth prize; in the summer yearling bull class (11 shown) we won first, fourth and fifth on Divide Gold Nugget, Divide Proud Goldspur and Divide Lord Goldspur; in the senior bull calf class (11 shown) we won second on Divide Master; in the junior bull calf class (22 shown) we won first on Divide Statesman and eighth on Divide Gold Star. Divide Statesman was reserve junior champion bull.

In the female classes at this Toronto show, in the junior yearling class (11 shown) we won first on Divide Lady Dorothy and third on Divide Columbine 14th. In the summer yearling class, (13 shown) Divide Violet 5th won fifth prize. In the senior calf class (19 shown) Divide Starlight 14th was fifth. In the junior calf class (18 shown) Divide Golden Lassie was first. Divide Lady Dorothy was the junior champion female.

In the group, Two Bulls Junior Yearlings or Younger, we won first prize (9 groups shown). There were fourteen Gets of Sire.

We won third and fifth. We won first prize in the class for Four Calves Bred and Owned by Exhibitor (9 shown). We also won first prize in the class for Breeders' Herd (7 shown).

Our winnings at the International Stock Show, Chicago, were as follows: Summer yearling bull (12 shown), Divide Proud Goldspur, second; Divide Gold Nugget, third; Divide Lordspur, sixth; senior bull calf (21 shown) Divide Master, third; junior bull calf (21 shown) Divide Statesman, seventh; three year old cow, Divide Impatience 2d, second; junior yearling heifer (13 shown) Divide Lady Dorothy, first; summer yearling heifer (12 shown) Divide Violet 5th, seventh; senior heifer calf (19 shown) Divide Starlight 14th, seventh; junior heifer calf (12 shown) Divide Golden Lassie, first; Get of Sire (11 shown), get of Browndale Goldspur, second; Pair of Yearlings (11 shown), second; Pair of Calves (11 shown), second; Pair of Females (12 shown) second.

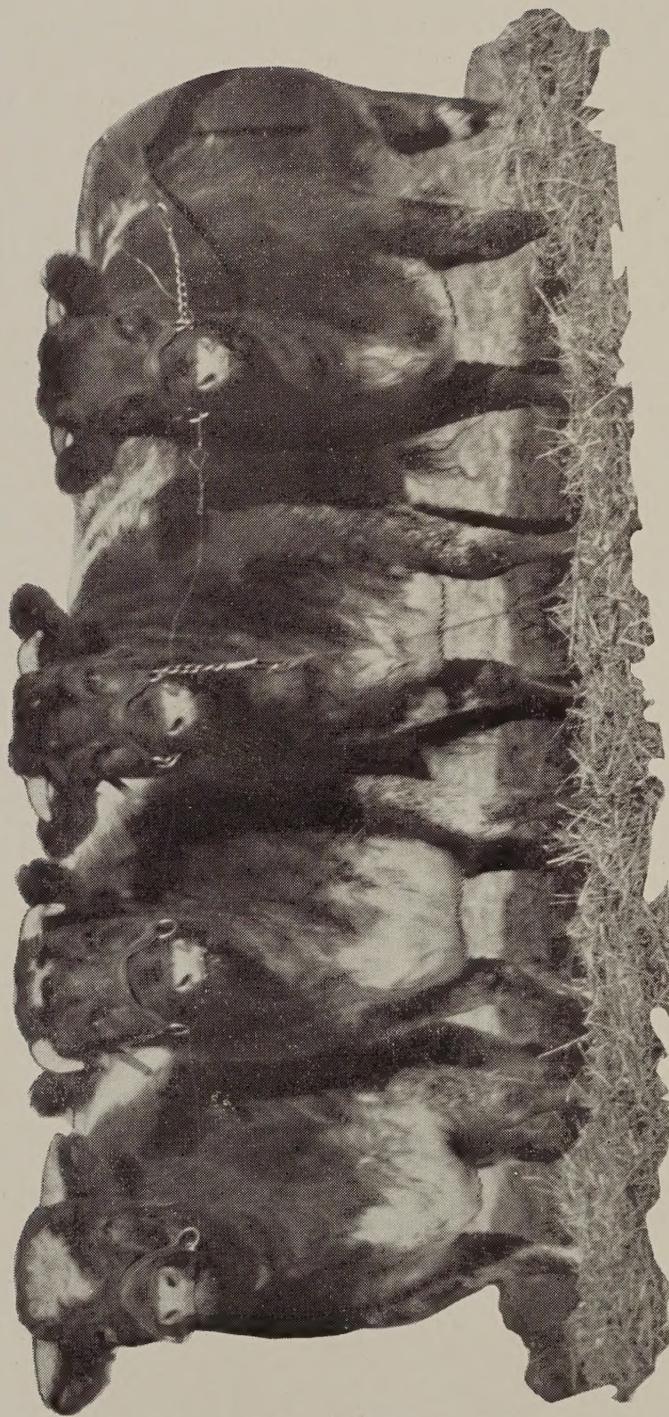

In the above shows we exhibited fourteen head. Only one was older than junior yearling. At the International, we won the trophy for the Best Ten Head of Shorthorns, owned by exhibitor. Our ten not only were owned by exhibitor but we had bred them all.

In order to make it convenient for the greater percent of those who may wish to buy at this sale, we are moving the cattle to Des Moines, Iowa. There is a comfortable, heated sale pavilion within the cattle barn at the Iowa State Fair grounds. There the sale will be held. The cattle will arrive a few days in advance of the sale and all will have plenty of opportunity to examine them before the sale.

We request that you study this catalog. Note the large number of cattle that have been bred from three to six generations in our herd. We know that these cattle will reproduce for you calves that will grow into the same kind as themselves. This is assured because their immediate ancestors for several generations are of that kind. It is true that improvement has been made from generation to generation. You will see by study of the catalog that we are offering as good cattle as we have produced. We believe that no better cattle will be offered for sale this year.

We invite you to come to Des Moines on February 12th, to see these cattle and to buy them if you wish. When you visit Colorado, we invite you to come to the Divide Ranch and to the Allen Ranch and to see the breeding stock that has produced the cattle that we are offering in this sale. We believe that if you were to see our herd bulls and our breeding matrons, it would add to your favorable impression of the young cattle that we are offering in this sale.

THE ALLEN CATTLE COMPANY,
Colorado Springs, Colorado.

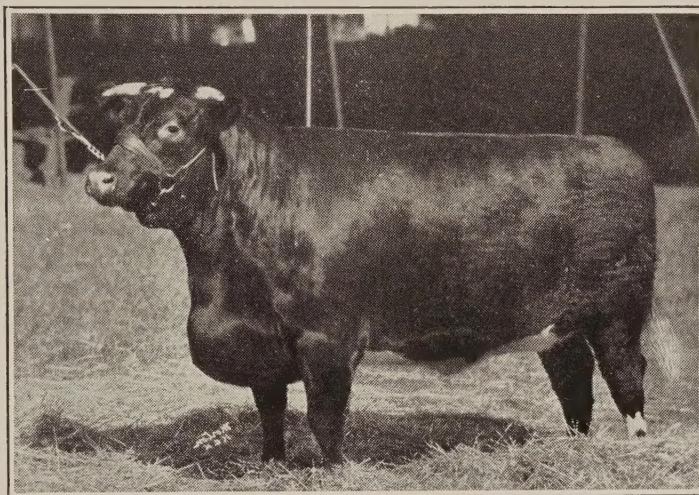

THE above picture shows one of the numerous "Gets" of Browndale Archer that won first prize at the Nation's greatest stock shows. In 1930, this group won first prize at Ak-Sar-Ben stock show at Omaha. The same year a different group of sons and daughters won first at the American Royal and still a different group won first at the International. At the left of the above picture is Divide Sensation, twice winner of the grand championship at the International. The other three in this picture are Divide Starlight 2d, Divide Marengo and Divide Anemone 2d, all winners of firsts and championships at leading fairs. In 1932, Divide Sensation was International grand champion bull and Divide Maid 11th, also by Browndale Archer, was junior champion female. She was not defeated that year, winning the grand championships of many big fairs.

Without a doubt Browndale Archer was the greatest sire of his day. He has been succeeded in our herd by Browndale Goldspur, an International grand champion that seems to be an even better sire than Browndale Archer.

DIVIDE MAID 11th

One of the most perfect females ever exhibited. She was undefeated in class, was grand champion at numerous state fairs and was junior champion at American Royal and International stock shows. She furnishes evidence that Browndale Archer, her sire, begot females that were as good as his bulls.

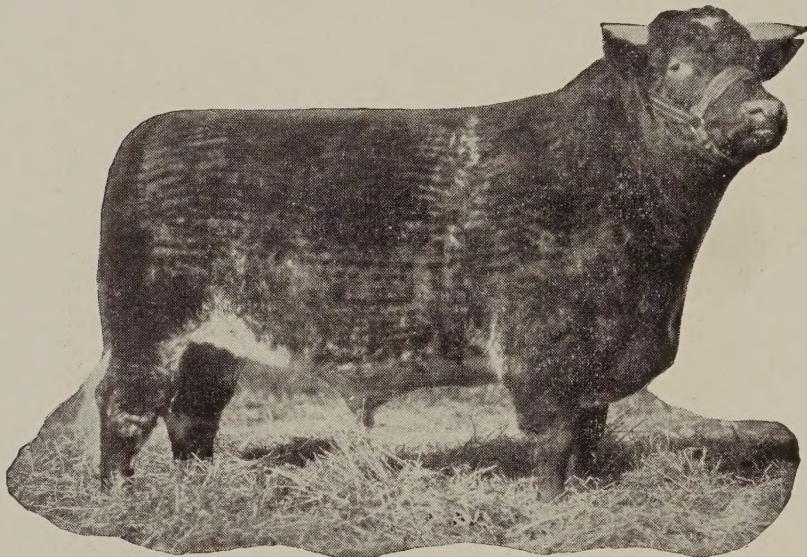

Browndale Archer 1406824

BROWNDALE ARCHER was a red bull, bred at Edellyn Farms and sired by that peerless sire Browndale Count. His dam, Poplar Camelia was an imported cow by Stoneytown Archer. She was an outstanding individual and partly from her and partly from the dam of Browndale Count, he inherited the ability to stamp his calves with dark roan and red, a characteristic that has added much to their attractiveness.

In "The story of Browndale Count" Rank Forbes says "Browndale Archer was purchased by The Allen Cattle Company of Colorado for \$1500.00. History reveals few bulls his equal as a consistent sire of uniformly high-class offspring, both male and female. So many of his get have been shown year after year and they have won so consistently in class, groups and championships, that it is not far-fetched to proclaim him premier sire among all the great sons of Browndale Count. Browndale Archer first was sold to go to Argentina but fortunately Wharton Allen bought him and saved this great sire for America."

Nearly every animal in this sale is a direct descendent of Browndale Archer. His influence permeates the entire Divide herd and is largely responsible for its greatness.

SELECT DRAFT OF DIVIDE SHORTHORNS, DES MOINES, IOWA

BROWNDALE GOLDSPUR 1464101

Grand champion of the International Stock Show in 1929. Sire of the junior champion bull at that show in 1931. One of his sons was top priced bull at the Helfred Farms' sale. He is the greatest living sire of both bulls and females. Every bull that he has sired that has been put into service has made good. At six years of age he was the top priced bull sold in 1933 and none have sold higher by auction since then. Each year that he lives he becomes more valuable because more people realize his value.
